

How to get the hole circle for 3 and 5-hole disc

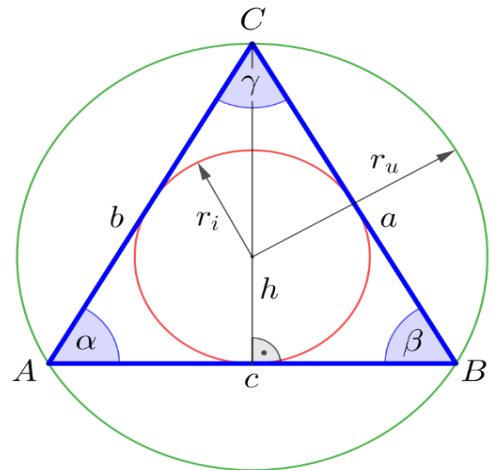

Please use a hole spacing and multiply it with the factor in the table

5-hole disc

d x 1,05	a x 1,70	results in hole circle
d	a	with $\emptyset$
57	35	60
79	49	83
85	52	89
88	55	93
95	59	100
97	60	102
99	61	104
100	62	105
101	62	106
103	63	108
105	65	110
106	66	112
107	66	113
108	67	114
110	68	116
122	75	128
128	79	135
133	82	140
143	88	150
152	94	160

3-hole disc

a x 1,15	results in hole circle
a; b ; c	with $\emptyset$
61	70
62	72
65	75
69	80
73	84
74	85
78	90
82	95
84	97
87	100
99	114
